

STEP Banding Tape

Banding Tape for STEP Band 1000, STEP Band 1100, ATS MS 420, Ultramatic A3, Tapit WII Banding Machines with instant heat welding system

Choose Banding Type and Width:

Price stated per box of quantity of rolls 60/40/28 depending of the chosen banding width.

- 20mm banding tape is 20mm wide, 60 rolls per box
- 29 or 30mm banding tape is 29mm wide but is stated as 29 or 30mm depending on producer, 40 rolls per box, it will run on all the above machines
- 40mm banding tape is 40mm wide, 35 rolls per box
- 50mm banding tape is 50mm wide, 24 rolls per box Meter per roll depending of type:
 - FTB 100my 200 meter per roll
 - PB/BW 80 180 meter per roll, except 40mm wide, 150m per roll

If you have a machine with $\varnothing 50\text{mm}$ core request a free roll holder so you can modify your machine to run with normal standard. Machines from ATS Tanner will typically be fitted with this altered core diameter.
